Support Manager Cash-in-Transit Operations

Tbilisi, Georgia

In my role as Support Manager, I am responsible for preparing and organizing all required documentation for daily cash-in-transit (CIT) activities. I work as the main point of contact between cashiers and transportation teams, ensuring clear communication and seamless coordination. My focus is on supporting smooth and uninterrupted operations by helping to resolve any issues quickly and keeping all parties aligned. I also contribute to improving the efficiency and speed of CIT processes through better organization and workflow support.
